

Retournez-Vous was established in March 2009 by Christine Jory. Retournez-Vous achieves dynamic results from the sale of both pre loved and new fashion because Christine buys the best items at affordable prices, then teams with the perfect jewellery, shoes, masks, hats, fascinators, shawls, sunnies, gloves, bags, lets just say the 'lot'.

Retournez-Vous offers both exciting, interesting, some have even called it a 'day out' because our beautiful store is filled with eye candy for fashion, colours that just merge with the accessories, a treasure trove of beauty. Once you step foot in our store you will experience an exciting adventure filled with glorious, glamorous, and unique bargains of clothing, shoes, and accessories. Its more than just a shopping trip! Retournez-Vous can offer a complete gorgeous outfit from top to bottom for the Bride, Mother of the Bride, a race outfit, school formal, or just for something exciting to add to your wardrobe. Call in and you'll be fitted out with the most extraordinary outfit at the most affordable price. Retournez-Vous also offer securing your individual garments by our good old fashioned layby system.

Retournez-Vous is not a second hand clothing store – nor are they a new fashion supplier. They are a fusion of both old and new, and they don't accept or sell anything but inspiring one off fashion statements from all eras that will make the client look absolutely fabulous! Christine buys the stock because she knows someone is going to look fantastic in it,, she needs to ensure that the 'garment or shoes' are going to a good home. Christine screens the prospective client to ensure this will be the case.

Retournez-Vous purchase clothing from customer's wardrobes however only the best is accepted. Please call to make an appointment with Christine.
